

- We require a 4 person minimum for on location weddings.
- We strongly advise each bride to schedule a trial appointment. In the case this is not an option, we are still happy to provide service for your wedding. We promise to allow extra time on your wedding day for a full consultation.
- Our stylists operate on a schedule. It is important that all girls arrive with clean, dry hair for all services to run smoothly and in a timely fashion. Our stylists recommend washing your hair the night before to best hold your style.
- We generally allow 30 to 45 minutes per service, however this is just an estimate. There are many factors that go into timing for a special event. Each and every bridal party is different. As long as we have solid understanding of how many services we will be doing the day of, we will be able to give you a proper timeline.
- To ensure the best application results for your makeup service, please arrive with clean skin.
- Airbrush makeup is not available unless specifically requested before the wedding day. Our stylists do not travel with the machine unless requested. Airbrush makeup is an additional charge of \$25 per person.
- You will receive a final schedule of services to approve two weeks before your wedding day. At this time you will need to provide a credit card number that will be charged half of the final total for your wedding services. After all services are rendered, we will charge the remaining balance to your card. If anyone in your wedding party adds on a service the day of, that service will also be added to your final total and will be charged to the card we have on file.
- Gratuity is NOT included in pricing.
- Our stylists are welcome to take cash or check gratuity on-site. Our stylists cannot accept credit or debit cards on location.
- You will discuss a start time and a finish time. Your stylist is contracted to stay with your wedding party for the allotted amount of time discussed with your wedding coordinator. If you need a stylist to stay on-site for additional services (changing hair styles for reception or touchups after ceremony) additional charges will apply.
- Prices listed include travel in New Hanover County. Additional travel fees will apply if traveling outside of New Hanover.
