## *Zero Gravity Pedicure*

*Experience unparalleled luxury with our new Zero Gravity Luxury Pedicure, exclusively at Harbour Salon and Spa. This premier service takes pampering to the next level compared to our previous pedicures. Enjoy a relaxing foot soak, expert callus removal, and meticulous nail and cuticle care. Indulge in a light head, neck, and shoulder massage, a soothing weighted eye and neck mask, and a full leg massage. Visit our Wilmington, NC location and discover why this new pedicure is creating such a buzz!*

# WILMINGTON ADVANCED ESTHETICS

## ***Chemical Peel***

*A technique used to improve and smooth the texture of the skin. The peel is applied to the skin that causes it to exfoliate and eventually peel off.*

## ***Dermaplaning***

*This skin treatment uses an exfoliating blade to skim dead skin cells and hair from your face. It is used to remove “peach fuzz,” the short, soft hairs on your face. Dermaplaning can be used for any skin type and anyone with acne scars. Available as an add on to facial services for \$35*

## ***Hydrafacial***

*Hydrafacial is a non-invasive, multi-step skincare treatment designed to rejuvenate and improve the overall appearance of the skin. It combines several advanced techniques, such as exfoliation, deep cleansing, extraction, hydration, and antioxidant infusion, to provide a comprehensive facial treatment.*

## ***Hydrafacial Body***

*Back Signature Hydrafacial- \$199 / \$125 add-on*

*Back Clarifying Hydrafacial- \$219 / \$145 add-on*

*Neck & Decollete Hydrafacial- \$129 / \$95 add-on*

*Hands- \$59 / \$40 add-on*

# FALL/WINTER 2024 SEASONAL FACIALS

## HYDRATING EXCELLENCE PROTOCOL

- Advanced healing peptide delivery system transports hydrating peptides and antiglycation ingredients for enhanced environmental protection.
- Spicy pumpkin enzymes and topical probiotics are whipped with vitamin C and MASQ-tech™ for the ultimate in skin hydration, refinement, and brightening all-in-one treatment.
- Achieve skin's youthful texture and tone with the triple-threat hydroxysomes® delivery of retinaldehyde, adenosine, and antioxidant resveratrol.

## CLARIFYING EXCELLENCE PROTOCOL

- Deliver a more clarified complexion while reducing future breakouts with the clinical combination of salicylic acid, bakuchiol, and peptides.
- A clarifying treatment designed to provide skin excellence by refining skin texture and restoring balance to the skin's microbiome.
  - Exfoliate and brighten for a renewed, refined skin texture and tone. An excellent treatment for extractions.

## ANTI-AGING EXCELLENCE PROTOCOL

- EXO-tech™ excellence provides results to delicate eye areas with the latest in exosome technology for unprecedented brightening and age-defying benefits.
- Deliver marine-based badiaga excellence with firming and lifting marine extracts for a more refined texture, tone, and renewed hydration level.
  - Advanced healing peptide delivery system transports detoxifying charcoal, brightening niacinamide, and botanical antioxidants into skin.

## BRIGHTENING EXCELLENCE PROTOCOL

- Exclusive MASQ-tech™, lactic acid, and mandelic acid prevent hyperpigmentation formation while minimizing pore appearance for smoother, refined skin texture.
- Exosome technology excels in brightening benefits as well as age prevention to the eye area with the latest in green chemistry and sustainability.
- Brightening powerhouse ingredients such as tranexamic acid, niacinamide, ferulic acid, and lipid soluble vitamin C deliver bright, beautiful results in one treatment.
